### QUICK FRUITY SCONES

Before you start make sure you ask an adult to help!

#### Ingredients

- 1 lb of self raising flour
- 4 oz margarine
- 200-225ml semi skimmed milk
- 4 oz sultanas
- 2 oz sugar
- Half teaspoon bicarbonate soda

#### Method

Before you start, preheat oven to 190C/ 375F/Gas mark 5. Weigh out all of the ingredients. Rub the margarine lightly into the flour and lift the mixture to add air. This will make your scone mixture nice and light. Continue until the mixture looks like breadcrumbs. Now add sugar, bicarbonate of soda and sultanas. Mix in just enough milk to make a soft dough. Roll out the dough on a lightly floured surface until about 1.5cm (1/2 inch) thick. Use pastry cutter to cut the scones into shape. Bake for 10-12 minutes. Carefully take out of the oven when golden. Leave to cool and then enjoy.
